Overview

Born of innovation and experience, the luxurious Aquila 44 Yacht Power Catamaran is a world leader in its class. Designed to be both a long-distance cruising yacht and a highly social platform, the highly experienced Aquila design and engineering team created the Aquila 44 Yacht to optimize performance. With an enormous amount of attention to detail and knowledge of how owners use their boats, both the exterior and interior spaces are perfected to serve those utilizations. Available with a 3-cabin layout featuring a salon and galley with 360° views and an extensive flybridge, the layout of the Aquila 44 Yacht makes entertaining a crowd aboard easy. Boarding from the port or starboard swim platforms, guests step up to the aft deck with an al fresco dinette. The window partition between the aft deck and the interior galley lifts, and the countertop folds out to create a service bar. The galley is strategically placed between the aft deck and the salon and dinette on the main deck, making it easy to serve guests inside and outside. A summer kitchen is centrally located to attend to guests in the aft-mounted dinette, and those on the flybridge can enjoy panoramic views along with the operator while underway.

Specifications

Model	Aquila 44
Year Built	2018
Length	44.11 ft
Engines	two
Engine Speed Max (kn)	18
Engine Speed Cruising (kn)	10-13
Cabins	3
Guests	12
Can Accomodate (Day)	22
Can Accomodate (Night)	6
Crew	2
Hull Material	Fiber Glass
