🛖 4 cabins 👤 8 guests ⚙️ 4 crew

Overview

Luxury catamaran yacht ALT EYA is a 21.30m (69' 11") vessel built by the renowned Polish shipyard with launch in 2021. She can accommodate up to 8 guests with additional cabins for a crew of 4.

NOTABLE FEATURES OF ALT EYA: ~Abundance of outdoor space ~Numerous sunbeds ~Myriad dining options ~Comfortable equal-sized guest en-suite cabins ~Great collection of water toys ~Hydraulic swim platform ~Shallow draft of 1.9m/6.3ft for close beach access ~Air conditioning ~Wi-Fi

EXTERIOR

The main deck aft has a sunbed along the stern which is convertible into a sofa for dining at the elevated table with additional chairs to seat all guests. A bar is placed in the starboard cabinetry, and opposite a raised sunbed gives guests an additional option for resting after a meal.

A stairway goes down each hull to the water, and a hydraulic swim platform provides easy access in and out of the sea. Side walkways connect to the foredeck, where there is a forward-facing corner sofa and table for casual alfresco dining, a widescreen TV above the doorway to the interior lounge, and a double sunbed on the starboard side. The large deck area near the bow can be used for observation and outdoor exercise such as yoga.

The flybridge is accessed via a starboard stairway from the main deck aft, and this raised level is furnished with a row of sunbeds along the stern, a forward-facing L-shaped sofa, dining table and movable chairs on the port side and a bar farther forward. The helm controls are forward and centre, and to starboard is an optional pair of armchairs and a side table.

INTERIOR

The port side hull has the galley in the aft followed by the guest accommodation. In the starboard hull, the crew accommodation is aft followed by the rest of the guest accommodation.

The amidships section is dedicated to dining and lounging, and the port side of the room is fitted with a forward-facing L-shaped sofa, raised table and movable chairs for formal dining in style. The starboard side of the room has a similar setup with a coffee table and armchair creating a desirable lounge setting. The helm controls are forward, and a doorway leads through to the foredeck.

A pair of 850 HP Volvo Penta engines give a top speed of 15 knots and a cruising speed of 14 knots.

The accommodation sleeps a total of 8 guests over 4 en-suite cabins: 1 Master suite and 3 VIP staterooms. ~ The Master suite is amidships in the starboard hull and has a queen-sized bed, a desk, large wardrobe and an en-suite bathroom with a sink, toilet and separate shower. ~ The VIP staterooms are forward of the Master suite in the starboard hull, and amidships and forward in the port hull. All have a queen-sized bed, large storage and an en-suite bathroom with a sink, toilet and shower. ~ The professional crew of 4 will provide fast and discreet service throughout every cruise.
