Overview

Aria Amazon – The only luxury cruise on the Earth's longest River

Aria Amazon

Custom built to explore the Peruvian Amazon River in uncompromising comfort, Aria Amazon offers the only luxury cruise along the Amazon.

There is no better way to witness the spectacle of this astounding natural wonder than aboard this 45m vessel.

Aria Amazon offers five-star facilities, can host up to 32 guests in 16 suites, each with floor-to-ceiling windows to help you keep an eye on the wildlife.

All suites are air conditioned with en-suite bathrooms and private lounge areas. There are also two pairs of suites that can be interconnected to create a larger shared space, ideal for families.

Aria Amazon offers a fine culinary experience. World Renowned chef Pedro Miguel Schiaffino of Malabar in Lima is creating menus for Aria Amazon.

Aria Amazon has multiple lounging and casual dining areas, as well as an elegant dining room and upper deck bar.

Facilities on board includes a fully equipped gym, on-deck Jacuzzi overlooking the river.

Experienced river pilots and the most rigorous cruise ship standards ensure smooth travel and safety on the Amazon.

27 crew includes a paramedic and four English speaking naturalist guides. The 1:1 crew to guest ratio ensures of a high level hospitality service.

The cruise includes daily wildlife safaris guided by expert naturalists to see the Amazon river's many animals, as well as various activities such as Piranha fishing, kayak and bike excursions. There are also four speedboats allowing guests to take a closer look at the river's vibrant flora and fauna.

Aria Amazon, winner of the 2016 Condé Nast Traveler Readers Choice Award, presents a unique opportunity to tour the wonders of the Amazon river and rainforest in unrivalled luxury. The boat has a modern, contemporary design and creatively incorporates many indigenous and traditional materials. Contextually, the design is a beautiful fit with the boat's cruising environment.

"From the delicious local cuisine, to the beautiful accommodations on board, this exploration with Aria Amazon reminded me there are still untouched areas of significant biodiversity in the Amazon rainforest... After journeys like this, I am inspired with the greatest sense of hope that we will continue to all work together and keep in motion the many solutions already in place for keeping this magnificent, vital river system alive and thriving." – Jean-Michel Cousteau – February 2018
