FAIRVIEW YACHTING

Overview

This 51m expedition yacht ASPIRE, previously named ETRA, was built in 2006 by the Chinese shipyard Penglai, with naval architecture and exteriro design by Blue Fin Yachts. She underwent an extensive refit in 2019; the brand new and modern interior styling has upgrated her to a new high of luxury.

She's fully equipped to offer fun activities on the water and relaxation onboard, with her deck Jacuzzi on the sundeck, al fresco living space spread across five decks, the lower deck swim platform transformable to a beach club with sun loungers right besides the water, abundant space on the main deck for large tenders and motorised water toys.

The interior styling is a harmonized combination of traditional wood panelling and a fresh burst of cream colors.

Her accommodation sleeps up to 12 guests in 6 en-suite cabins: 1 Master suite, 2 double cabins and 3 twin cabins. The Master suite is located on the upper deck, accompanied with a private office, walk-in closet, the king-sized bed is with a widescreen TV opposite, a desk to port and a sofa beneath the starboard window, the en-suite bathroom boasting a sink, toilet, bidet, and an enclosed bathtub/shower. Both double cabins are placed on the main deck and each has a plush armchair and a desk opposite, as well as a widescreen TV; the en-suite bathrooms have a toilet, bidet, sink and shower. The first of three twin cabins is placed on the main deck, with the remaining two on the lower deck. Each has a sofa, widescreen TV and desk as well as an en-suite bathroom with a toilet, bidet, sink and shower.

ASPIRE's impressive leisure and entertainment facilities make her the ideal superyacht to be chartered for socialising and entertaining with family and friends.

Specifications
