Overview

Welcome aboard the Bali 5.4, a 2022-built catamaran designed for effortless elegance and exceptional space. Her open-plan layout creates a seamless flow from the interior lounge to the outdoor deck, offering the ideal setting to relax, connect, and enjoy life on the water.

Soak in the sunshine on the expansive foredeck or head up to the flybridge, an elevated retreat with sweeping views of Hong Kong's coastline. Whether you're gazing at the stars or sipping drinks with friends, this is your front-row seat to the sea.

Perfect for day charters of up to 20 guests, the Bali 5.4 balances freedom and comfort with four well-appointed cabins and a professional crew of three. Paddle boards, a kayak, soft drinks, ice, water, and fuel are all included for a carefree day on board.
