

Beluga

US 98,200 p/week + GST + APA

 Australia  East coast / North Queensland  2006  113FT / 34.44M

 5 cabins  12 guests  7 crew

Overview

BELUGA was custom built into an explorer style of motor yacht by the renowned Dutch shipyard Moonen in 2006, with two refits in 2011 and 2017.

She was built for long-haul cruises with 4,000 nm range, robust in her build and elegant in her style.

Her wide beam contributes to spacious lounging areas and cabins. The cozy interior accommodates comfortably 10-12 guests with 5 staterooms, including 1 master suite, 2 double cabins, 2 twin cabins with 2 pullman beds.

BELUGA is based in Port Douglas, North Queensland, Australia, the getaway to the UNESCO-listed cruising grounds surrounding the unique Great Barrier Reef. She is popular for mother-shiping superyacht charters during Australia's active marlin fishing season (September – November), and then Papua New Guinea & the Solomon Islands between April and August.

She can be chartered with the following rates:

24 hours: USD 18,000.- + GST + APA

48 hours (2 nights): USD 36,000.- + GST + APA

Weekly (7 nights): USD 88,000.- + GST + APA
