Overview

Join us for an amazing fishing experience in Thailand! With several beautiful white-sandy beaches and crystal clear blue waters, you will be sure to have the best fishing adventure of your life. Come along with friends and family as we provide the best service at an affordable price but always in the best conditions of safety, comfort, and style.

This vessel in fact offers comfortable air-conditioned dining and sleeping accommodations. Undoubtedly, one of the most striking features is the aft cockpit window which together with the port and starboard windows provides breathtaking views of the surrounding waters and allows for an incredible amount of natural light to shine through the saloon. The ambiance created from these windows and the open salon layout provides a unique experience for entertaining on the open water and exquisite views of the sea as well as of the fishing action. This vessel is suitable both for day trips around Phuket as well as live aboard trips around the Similan or Surin Islands in Thailand. Fishing trips with us are unique because we recognize that none of our guests are the same. We try to provide an outstanding service at all times, a service that is tailor-made for all our guests. You can therefore concentrate totally on enjoying yourself and leave the rest to us
