Overview

Hallberg-Rassy is widely considered to be one of the finest production yacht builders in the world. S/Y Big Blue is a professionally maintained and continuously upgraded Hallberg-Rassy 49, originally built with the rare 4-cabin layout in 1989 and refit in 2017.

Outdoors, the teak deck is perfect for sunbathing under the sun and the centre-cockpit is ideal for sailing or relaxing under the shade. Indoors, the spacious salon is comfortable for dining or watching movies and the long galley offers plenty of space to cook even the most elaborate meals.

Big Blue is fully-equipped with an overhauled Volvo Penta 14 3HP engine, new Kohler 7KW generator, integrated Raymarine electronics, air-conditioning, heating, electric toilets, separate shower stalls, Zodiac tender with Yamaha outboard, Stand Up Paddle board, snorkelling equipment and more.

This is a rare opportunity to charter an exclusive classic yacht with a skipper and hostess to visit the most beautiful anchorages, remote beaches, picturesque towns, original tavernas and fun destinations around the Aegean and Ionian Seas.
