Overview

The 86m Conversion CHAKRA, previously named SALEM, was built in 1963 by Scheepswerf Gebr. van der Werf and last refitted in 2017 by Devonport Yachts. This luxury vessel's sophisticated exterior design and engineering are the work of Scheepswerf Gebr. van der Werf.

This semi custom Conversion yacht also features 'at anchor stabilisers' which work at zero speed, increasing onboard comfort at anchor and on rough waters.

Her expansive deck space can host a wide range of amenities, including an outdoor bar, sunlounging area and al fresco dining setup.

Her spacious interior layout sleeps up to 12 guests plus 12 staffs in 19 guest cabins, including 1 master suites, 1 presidential suite, 7 VIP staterooms, 6 double cabins, 2 twin cabins and 2 single cabins.

CHAKRA's impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends.

CHAKRA will be available to charter in Croatia for the summer of 2020 and will cross the Atlantic to offer charters in Caribbean for the winter season of 2020/21.
