Equipped with four guest cabins – four with queen size beds. Eclipse is suitable for overnight stay at any private beaches or azure waters in Thailand. All cabins have en suite washrooms plus there are separate facilities for the crew. The Lagoon 52 has an exceptional amount of space thanks to a generous beam (8.6m) and a full flybridge allowing for many indoor, covered and outdoor dining, lounging and sunbathing areas.

Interiors are bright and airy thanks to large windows, high ceilings and light-colours. Large, strategically placed hatches and port holes add light and ventilation throughout.

Eclipse is staffed by a friendly crew of two to take care of all your needs. The knowledgeable skipper will guide you to all the best spots while the hostess will keep your champagne glasses full. Eclipse is professionally managed by an international firm operating on-site at Ocean Marina Pattaya to help you plan the perfect charter and handle all logistics from arrival to departure.

Eclipse is equipped with a 2 man kayak, a Floating Mat to relax on, ten sets of snorkeling equipment, and an Highfield OM 390 dinghy with a 40hp outboard.
