The Sanlorenzo SX 88 "Estia" is hull number 83 of the innovative SX range of crossover yachts. Currently under construction, this beautiful craft will be delivered to her Owner in June 2023 and immediately offered on the charter market for exclusive yachting experiences along the Tyrrhenian Sea.

The exterior design of this brand-new 2022 meter motor yacht comes from the boards of Officina Italiana Design, the open transom brings guests closer to the water, serving as a beach club and sports utility area.
