Overview

Introducing the Greenline 45 Fly Hybrid, tailored for discerning customers who seek an unparalleled experience on the water. This vessel boasts an innovative design that maximizes comfort, space, and performance.

With a length of approximately 50 feet, contrary to the advertised 45 feet, providing an expansive living space of around 1000 square feet across decks. This is significantly more spacious than yachts of comparable size, providing ample room for relaxation and entertainment.

Equipped with a gyro stabiliser, the yacht promises smooth sailing, minimizing the discomfort of choppy waters and ensuring a stable and comfortable journey for all onboard. The luxury amenities, inclusive of modern technological conveniences, are thoughtfully integrated to deliver a first-class experience, catering to every need and desire.
