Overview

The Leopard 51 Powercat brings with it a multitude of exciting features, including a sleek design, a large forward cockpit, additional lounging areas, an expansive flybridge and a completely redesigned interior upgraded with modern appliances.

This yacht also boasts a large and open saloon, a galley with the latest appliances, and a 3 or 4 cabin layout with en-suite heads. The Leopard 51 powercat combines the best from our sailing fleet with the luxury and ease of a power yacht.

This boat is fast so we can go places on day charters that we normally cannot reach within the same day. To illustrate this – it is possible on a one day charter to cruise to the popular Phi Phi Islands and back. She's perfect for a catamaran day charter in Phuket for up to 20 guests. Our favourite and most popular cruise is to Maithon Island, where the waters are as clear as crystal, the snorkelling excellent and there is a good chance of spotting a pod of Dolphins. We anchor off the island and inflate the big slide and floating Jacuzzi – there are kayaks and Fishing gear for you to enjoy, as well as Snorkelling equipment and a Snuba set. There is good music and you can plug in your own device, and we have Wifi too.
