Overview

LUCKY is a brand new Sanlorenzo SL78 (launched in March 2020), the only yacht in its category to be completely customized by the owner. On this yacht, Italian engineering and design meet, united by the experience and professionalism of one of the best shipyards in the world. With its almost 25 meters, LUCKY offers great versatility thanks to its large outdoor spaces and 4 guest cabins: a Master, a VIP, a twin and one with pullman beds.

The salon, with its large and bright windows, features a large sofa and an internal dining table. The flybridge has an outdoor table and two large sunbathing areas. At the stern, there is a third dining/relax area and in the bow a large sunbathing area that can be converted into a sitting area with a coffee table.

Outstanding interior finishes and prestigious furnishings offer guests a particularly comfortable and refined environment. An innovative soundproofing and anti-vibration system offers maximum comfort in all indoor and outdoor areas.

The crew of LUCKY is composed of 3 members: captain, stewardess/chef and sailor, all young and highly professional.

LUCKY is based in Italy and can be chartered within the whole Italian and South of France water area.
