Overview

Designed by American Ed Tuttle, MAHA BHET RA is a unique 90ft Thai-crafted wooden hull motor yacht that features three palatial double cabins below a spacious open-plan teak-laden saloon on the top deck.

MAHA BHET RA interior is mostly a neutral palate with accents provided by authentic Southeast Asian antiques from the 18th Century. Seamlessly, the ancient and modern interact in the saloon where bespoke designed louvered cabinet hides sound systems and glassware and the staterooms are adorned with tiger-patterned rugs.

She's a perfect classic motor yacht for a luxury day charter or overnight charter in Phuket.
