

Mischief

US 10,300 p/day all-inclusive

 Indonesia / Raja Ampat  Komodo / Raja Ampat  2016  98FT / 30M

 4 cabins  8 guests  8 crew

Overview

Mischief is a luxury phinisi cruiser that launched in 2016. With traditional lines based on Indonesian phinisi style recalling the days of the spice trade, Mischief comfortably combines luxurious contemporary interiors with hints of the past.

Mischief was built by legendary Sulawesi shipbuilder Pak Haji Wahab in collaboration with Mischief's owner. With a fusion of authentic design using tropical hardwoods and a casual beach cottage style, Mischief is both spacious and elegant.

Mischief's experienced crew of 8 includes a cruise host, two private chefs and a dive master. With a combination of double and twin cabins, Mischief is ideal for families or groups of friends looking to sail around Indonesia's island in modern luxury.

This graceful yacht has also been designed to consider the needs of its crew, who benefit from climate controlled cabins, built to the same finish as the guest cabins, with bathrooms and shower rooms. Each crew cabin has full hanging lockers and a writing/computer desk.

The galley is a gourmet chef's delight with a freezer and storage space for long extended periods at sea or cruising in remote areas. A full laundry and service area are also provided. The engine room and workshop complete the crew areas.

Mischief's interior design is pure understated elegance with a selected palette of colors that creates a calm and casual yet sophisticated ambiance aboard the yacht.

Inside, there's a large, airy lounge and bar fitted with white wood paneling, hemp rugs and soft furnishings. Outside on the wrap-around deck, there's ample space for relaxing alfresco with forward facing settees placed on the upper and main deck with exceptional views and ample privacy. A large dining area completes the deck, where an Indonesian chef and a western chef work side-by-side serving delectable fusion dishes.

Mischief features 3 spacious air-conditioned cabins, all uniquely positioned above deck and featuring large windows, making the most of Indonesia's spectacular landscapes. There is an additional twin cabin below deck allowing the yacht to accommodate up to 8 guests.

The master cabin is located on the upper deck with a private terrace, while a second double cabin and a twin cabin are situated on the main deck. With plenty of natural light, all cabins feature natural teak floors and a neutral colour palette. Each cabin features a walk-in wardrobe and an en suite bathroom with a power shower and his and hers vanities. Eco-flush toilets connected to a treatment plant make Mischief also environmentally friendly.

Specifications
