FAIRVIEW YACHTING

Overview

Launched in 1930, this 35m classic yacht OVER THE RAINBOW, previously named JANET HA IV AND CLASSIQUE was built by Dickie & Sons at their facilities in Wales, England and benefitted from a refit in 2018 that has left her with modern amenities.

She's one of the finest classic yachts available for charter, with an incredible heritage and history. Her current owner has invested heavily in the yacht over the last 3 years to ensure that she is in outstanding condition, with wonderful guest amenities and all the latest navigation and safety equipment.

Renowned Belgian artist Jean-Michel Folon has overseen her interior design, and ensured the motor yacht has retained her timeless charm. Original features, graceful furnishings and sumptuous seating contribute to a comfortable and elegant ambience. Her alfresco deck areas are primed for entertaining with large groups or making the most out of sunny weather.

Her completely refited interior sleeps up to 11 guests in 4 well apointed cabins, including one master suite, one VIP stateroom, two double cabins and two additional pullman berths. Each cabin has a spacious wardrobe and private en-suite bathroom with separate shower room.

Built with wood superstructure and hull. This custom full displacement yacht features 'at anchor stabilisers' which work at zero speed, increasing onboard comfort at anchor and on rough waters. Her wide selection of toys and accessories ensure absolute fun on water for all her onbaord guests. As well, the passionate crew strive to maintain the yacht in peak condition and to ensure that guests have the charter of a lifetime.

OVER THE RAINBOW is a true connoisseur's yacht, based in the South of France, but available throughout the Mediterranean, including the Adriatic.
