Overview

PRINCESS L is a sleek Maiores 108' built with GRP hull and superstructure in 2006 and refitted in 2018.

Her contemporary interiors are well appointed and spacious. She presents a comfortable layout of five en-suite cabins – one VIP on the main deck, one Master suite on the lower deck with dressing room, a lot of storage spaces, safe, His & Hers en-suite with adjoining doors to the indoor Jacuzzi bathtub, one VIP and two identical twin cabins with one pullman berth each on the lower deck – accommodating up to 12 guests.

Guests will enjoy her wide variety of water toys, including two Sea Bobs and her spacious sundeck area with two comfortable sofas and large sunbeds on the aft side of the sundeck, ideal for sunbathing and relaxation. The swim ladder goes 1.20m below the water and makes it easy for the guests to get in and out of the sea.

Her professional and experienced year-round crew of six will take impeccable care of the guests, giving them a once-in-a-lifetime superyacht charter experience in Greece and all the way to Croatia.
