Overview

This 34.1m custom built superyacht power catamaran QUARANTA was built in 2013 by Logos Marine. This luxury catamaran's exterior design and engineering are the work of Incat Crowther, while the interior has been designed by Lila-Lou London. Built with composite hull and superstructure, this yacht was built to MCA and Det Norske Veritas (DNV) standards.

She can comfortably accommodate up to 12 guests in 6 staterooms, all spacious double cabins, each with 2.75m x 0.96m windows for maximum natural light and panoramic views.

A special feature of this super catamaran is that, all cabins can be rearranged and combined to a variety of different layouts to specifically cater to the client's needs. Double cabins, twin cabins, triple cabins are all possible. In total, there are over 20 different layouts possible!

The Deck Jaccuzi, Beach Club, stabelizer and wide variety of water toys, all make her an ideal superyacht to be chartered for socalising and relaxation with family and friends.

She will be available for charter in Croatia for the Summer of 2020.
