Overview

We are delighted to introduce this brand new Sanlorenzo SL90 Asymmetric to private groups or companies looking for a unique and high-end yacht charter experience. The Sanlorenzo SL90A boasts an innovative design, making it stand out from other models in her class.

The asymmetrical design keeps the starboard main deck in place while the port side deck raises up onto the flybridge, providing extra space and light in the main salon thanks to full-height lateral windows facing directly out to sea. The yacht's floor-to-ceiling windows at the main salon provide a breathtaking view of the ocean and create an incredible connection with the sea.

Walk up from the classic transparent glass staircase to the fly deck, is the perfect place for guests to relax and lounge, where a glamorous cocktail area presents with two separate bar counters atop Italian Boffi cabinets, a grill station, refrigerators and freezers. With sofas and dining tables, guests can enjoy their sparklings and mingle while overlooking the panoramic view.

If you're looking for an unparalleled yachting experience or event venue that would provide the best guest experience and a luxurious ambience, this is an opportunity not to be missed.

The Sanlorenzo SL90A is perfect for private occasion celebrations (birthdays, anniversaries, Valentine's Day) or corporate events (Luxury product launches, media events, KOL/product shooting)
