Overview

Sanlorenzo SD118 Unique S for charter is an elegant and sophisticated 35.75-meter semi-displacement yacht launched in 2023. She represents a perfect combination of classic Italian style and innovative design for an unforgettable sailing experience. The naval lines and interior design are the work of Sanlorenzo, while the exterior design comes from the pen of the renowned Zuccon International Project studio.

In both exteriors and interiors, Sanlorenzo SD118 Unique S for charter reveals incredible attention to detail as well as superb craftsmanship. The large windows allow a 360-degree ocean view, ensuring absolute contact with the sea and an immersive experience of total relaxation. A total continuity between interior and exterior is also generated by the asymmetry of the upper deck, whose distinctive design allows a direct view of water from both sides.

The spacious interiors boast a refined layout and are crafted from the finest materials. Unique S can accommodate up to 10 guests in 5 cabins, each with a private bathroom. The master cabin is located on the main deck, and 4 double cabins are on the lower deck.

This iconic Sanlorenzo SD118 Unique S for charter combines form and function and will allow all guests to explore the seas in style.
