Overview

With an impressive 39.62-metre length and a wide 7.92-metre beam, SEABEAR provides expansive living areas across four decks; the Sun Deck, Bridge Deck, Main Deck, and Lower Deck, offering multiple options for dining, entertaining, and relaxing in style. Her interiors have been tastefully renewed during the 2025 refit, where the owner incorporated subtle elements of Thai-inspired craftsmanship through textures, decorative accents, and warm natural tones. The result is an atmosphere that blends contemporary elegance with refined “Andaman Sea”, creating a space that feels luxurious, inviting, and uniquely connected to Thailand.

SEABEAR accommodates up to 10 guests in five beautifully appointed cabins: three double cabins and two twin cabins, each with ensuite bathrooms. The refreshed design brings a boutique-hotel feel to every cabin, blending soft fabrics, modern lighting, and generous natural light to ensure exceptional comfort for families or groups of friends.

Powered by twin MTU engines, she cruises smoothly at 10-12 knots with a top speed of 26 knots, supported by large fuel and water capacities for extended journeys. Whether anchored off secluded bays or cruising between islands, guests enjoy a quiet, stable, and luxurious onboard experience.

SEABEAR is also fully equipped for fun on the water, boasting an exciting collection of water toys: a SeaDoo Fish Pro jet ski, inflatable SUP boards, kayaks, fishing gear, and a full AquaBanas slide & ocean pool for hours of entertainment right off the swim platform.

What truly elevates the SEABEAR experience is the onboard team. Supported by a dedicated professional crew who embody Thailand’s signature warmth and hospitality, SEABEAR promises a personalised and seamless charter experience, whether it’s a family holiday, a celebration, or a peaceful escape through Phuket, Phang Nga Bay, Krabi, or the Similan and Surin Islands.
