

Sea Energy V

US 24,300 p/week + 12% VAT + 20% APA

 Greece  Athens  2017  49FT / 15M

 5 cabins  10 guests  3 crew

Overview

SEA ENERGY V is a wonderful 50ft catamaran built by Fountaine Pajot. She accommodates up to 10 passengers in 5 lovely Queen staterooms with their own private baths.

On of the main features of this Saba 50 are her surround windows both topside in her spacious saloon as well as below in her cabins, thus flooding the yacht with nature light. Her aft deck has a large dining table fully covered to dine el fresco while at anchor or at sea. There is a bench seating area to the aft for comfortable seating. Her upper deck has marvelous cushions for fun and relaxation under the sun.

A rich collection of electronic appliances such as DVD & CD Library, WiFi and TV, outdoor and indoor audio systems and a lot more ensure the extra fun while sailing. She has a wonderful selection of sea toys to make your time at anchor full of fun.

She will surely ensure you an exceptional and luxury sailing catamaran charter trip in the exotic water of Greece.
