🛏 15 cabins 👤 30 guests ⚙ 31 crew

Overview

Sleek and streamlined, SERENITY is one of the most eye-catching yachts on the water.

This 72m motor yacht was custom built in 2004 by Austal and last refitted in 2017. Previously named T U MOANA, Luiz De Basto is the responsible designer for her beautiful exterior design and AskDeco for her lovely and warm interior.

Spacious sundeck, large Jacuzzi, top quality of furniture, modern design and luxuries of interior & exterior areas, are only some of the highlights which place this vessel on top of the list for 2017. This innovative, ultra-modern yacht after her massive refit, provides a wholly relaxed and luxurious experience. Infinite space and unrivalled comfort combined with timeless styling, beautiful furnishings and sumptuous seating feature throughout to create an elegant and comfortable atmosphere, SERENITY is absolutely one of the most sought-after superyachts.

Relax on her beautifully equipped sun deck, work up an appetite on a handful of watertoys, then move indoors to her calm, fresh interior. Step on board for the ultimate superyacht experience. SERENITY's interior layout sleeps up to 30 guests in 15 rooms, including a master suite, 6 VIP staterooms, 5 double cabins, 2 twin cabins and 2 pullman beds. She is also capable of carrying up to 31 crew onboard to ensure a relaxed luxury yacht experience.

SERENITY's impressive leisure and entertainment facilities make her the ideal superyacht to be chartered for socialising and entertaining with family and friends, or for corporate executive's incentive or team-building trips.
