Overview

SETTLEMENT was delivered in 2015 by the world renown British shipyard Sunseeker International. She's built to RINA class LY3, one of the yard's highly successful 100ft+ sport yacht models.

The expansive salon has extensive seating areas with beige colored settees and black lacquered tables. One of her most unique interior features is her sea balconies that can be opened to both sides of the main salon and accessible via sliding patio doors.

Black American walnut panelling is her signature interior style. She can comfortably accommodate 10 guests in 5 staterooms: a Master Cabin on the main deck with a full-beam private ensuite and jacuzzi bathtub; coupled with two large doubles and two twins below deck. All cabins are equipped with state-of-art entertainment unit and ensuite bathrooms.

Up on the flybridge there is a deck Jacuzzi with vast surrounding sunbeds. Seating and dining area can be properly protected from the sun by a retractable hard top. The generous outdoor space in cockpit is furnished with all fresco entertaining and dining setups. Leading down to the garage and the swim platform is where all the fun water toys reside.

SETTLEMENT cruises the East Coast of Australia exploring the Great Barrier Reef to Sydney, and escapes for the rest of the year to the South Pacific visiting Fiji and Vanuatu.
