⚓ Fiji / Hong Kong / Southeast Asia 📅 2006 ⚓ 131FT / 39.93M

🛖 6 cabins 👤 12 guests 🌀 8 crew

Overview

SILENT WORLD was one of the largest yachts built by the Spanish shipyard Astilleros M.Cies. She was built to commercial vessel standards, with the yard's strong experiences in the 30 years in fishing, oceanographic and special use projects.

Her designer Inigo Echenique is probably Spain's most well respected naval architect and yacht designer, who has a strong background also in racing and the America's Cup. She was designed and built to be a solid vessel with long range capability.

She has several unique features, including a large open sundeck with comfortable relaxation areas that caters Alfresco dining experiences. The expansive sundeck is equipped with a 6-pax Jacuzzi that allows guests to enjoy a nice spa while enjoying the panoramic view with their favorite cocktail in their hands. Her spacious 6 cabins can accommodate max. 12 guests onboard.

SILENT WORLD has now been cruising the Islands of Tahiti since 2018 with great success. Prior to this exotic French island paradise, she has explored the East Coast of Australia extensively, and ventured out to Fiji, Vanuatu, the Cook Islands and even Pitcairn. With an array of water toys, SILENT WORLD can surely offer you one of the most memorable superyacht charter experience in the South Pacific and Australian regions.

SPECIAL PROMOTIONS:

SILENT WORLD can be chartered for special event such as the upcoming America's Cup in 2021 from USD 195,000 per week + expenses. Please contact us for detailed offer.
