Overview

SOVEREIGN is a fantastic yacht that was built to rival the quality and capability of the Northern European pedigree shipyards. She was built by an experienced yachtsman who made sure the build included every opportunity to be successful by providing the finest supervision, engineering, designer, time and quality available. Time of build was of no concern and quality was the number one priority. The owner spared no cost in getting the vessel perfect before putting her in operation.

Her second and present owner has been the perfect custodian offering SOVEREIGN the "state of the art" upgrades, annual surveys both maintenance and class, providing the vessel with whatever was needed. A listing of the upgrades are found further in the listing spec.

SOVEREIGN has the volume of a 60m plus vessel. Her 180' (55m) length and 34' (10.4m) beam give her the platform that measuring 1,100 gross tons further this volume offers SOVEREIGN with a floor plan of over 8,000 square feet (750 square meters) provides an exceptional living area that accommodates two master staterooms, an additional four guest staterooms below that accommodates max. 12 guests, as well crew quarter accommodating for 14 crew. The exceptional spaciousness is most notable in the panoramic skylounge where the vaulted ceiling reaches greater than 10' high.

Her interior wood package built by Zepso USA is another example of spare no expenses to get the best quality possible in the vessel. The woodwork is complimented by warm marble surfaces, quality soft goods and furnishing. SOVEREIGN has an elegant and comfortable feel to her throughout.

SOVEREIGN's stability and sea keeping is found in her massive platform and complemented by her 10' draft and her 4 fin Quantum Zero Speed Stabilizers.

She will ensure you an exceptional and luxurious superyacht charter experience in the West Mediterranean in the Summer and Caribbean in the Winter.
