Star of the Sea

FAIRVIEW YACHTING

Overview

‘Star of the Sea” is the largest (128ft) and possibly the most luxurious superyacht available for charter in Singapore.

It is the largest yacht built locally in Singapore in 2012 with the Singapore ethos of high quality and reliability.

Relaunched and newly renovated in 2023, the ‘Star of the Sea’ is furnished with the latest designer furniture, sound systems and powered by twin MTU engines by Rolls Royce.

Star of the Sea is the ultimate superyacht for Extravagant parties, birthday celebrations. corporate events, hosting your VIP guest and weddings.

Take your voyage to the next level. For a vessel this size, you could take your family and friends to the pristine waters of Tioman or the exotic islands if the Anambas right at your doorstep.
