Overview

Introducing the Sunseeker 73 Asturias, considered one of the best in her size for her innovative interior design. The yacht's full-beam master suite is a testament to luxury and comfort, complemented by two expansive VIP suites on the lower deck. Additionally, a well-appointed guest cabin with twin beds ensures ample space for all on board.

The vessel's living spaces feature high ceilings, minimal partitions, and extensive glazing on the upper deck, creating an open and inviting atmosphere. These design choices facilitate a social environment that is both comfortable and luxurious, perfect for entertaining a large group over several days at sea.
