Overview

Available Now a Bali 4.6 hull No: 172 is available now.

Overview:

The **Bali 4.6** redefines luxury cruising with its iconic *Open Space* layout, combining innovative design, robust performance, and expansive social areas. Crafted by the French multihull specialist Catana Group and styled by renowned designers Olivier Poncin and Xavier Faÿ, this 46-footer is a standout in the world of modern multihulls. This boat has been stored at the Bali shipyard and has now been delivered to Phuket, Thailand. No previous owners #172 is available now to explore the stunning waters of Asia or join our charter fleet and earn you a guaranteed income.

Whether you're a liveaboard adventurer, a seasoned sailor, or a charter operator, the Bali 4.6 offers an unbeatable blend of volume, performance, and onboard comfort.

Key Features:

- **"BALI Open Space" Design** – A groundbreaking layout concept pioneered by Bali Catamarans, featuring the iconic "Bali Door", a garage-style hydraulic saloon door that lifts to fully open the saloon into the aft cockpit. When combined with the forward access door you get seamless integration of the saloon, galley, forward cockpit, and aft cockpit. Delivering unmatched indoor-outdoor flow and living space.
- **Solid Forward Deck** – Replacing traditional trampolines, Bali's solid fore-deck creates a flush, walkable platform that dramatically expands usable space. It features integrated sunbeds, a dining table, and generous storage lockers. Providing a dry, stable lounge area that can be comfortably enjoyed even while under sail.
- **Flybridge with 360° Visibility** – Includes helm station, lounge seating, sun pads, and optional dining and fridge setup.
- **No-compromise sailing performance** – Upgraded Twin Yanmar diesel engines, efficient sail plan, and high bridge deck clearance ensure comfort and stability under way.
- **Interior comfort** – Light-filled interiors, large windows, island beds, en-suite heads, and custom lighting touches throughout.

Accommodation Layout:

4-Cabin Version - Optimised for larger groups and flexible charter use.

This 4-cabin layout includes three cabins to port and one to starboard, providing accommodation for up to 8 guests. With three bathrooms and smart spatial design, this version is ideal for larger families or those looking to some blue water cruising.

**For more information on hassle free ownership, and offsetting ownership costs through charter, visit - https://fairviewyachting.com/ownership-program/*

Interior Design Continued:

The Bali 4.6 offers an exceptional onboard living experience, combining modern design, premium finishes, and intelligent space planning to rival much larger yachts.

- **Panoramic Views & Natural Light**
  Large vertical windows surround the saloon, flooding the interior with natural light and offering unobstructed 360° views.
- **Spacious Open-Plan Saloon**
  The central living area seamlessly integrates the galley, dining area, and navigation station. With the signature *Bali Door* fully open, the saloon becomes a single-level space extending to the aft cockpit, creating a true indoor-outdoor lounge.
- **Fully Equipped Galley**
  The galley rivals a home kitchen, featuring a full-size fridge-freezer (up to 635L), chilled water and ice maker, gas oven, microwave, and ample bench space and cabinetry. Ideal for entertaining or long-term cruising.
- **Premium Finishes**
  Upholstered seating, indirect LED lighting, soft-touch materials, and optional touches from the Elegance Pack (such as leather accents, designer lamps, and chromed reading lights) elevate the onboard aesthetic.
- **Cabin Comfort**
  All cabins are well-ventilated and spacious, with island or side-access beds, large windows, and ensuite bathrooms. Options include air conditioning, fans, reading lights, and high-quality mattresses for a restful night at sea.
- **Quiet & Climate-Controlled**
  High-quality insulation and optional reverse-cycle air conditioning ensure comfortable living in all climates, from the tropics to cooler coastal cruising.
- **Thoughtful Storage**
  With generous cabinetry throughout the saloon, galley, and cabins. Plus, large underfloor lockers, the Bali 4.6 is designed for extended stays without clutter.

Specifications:

- **Length Overall (LOA) -** 14.28 m (46'11")
- **Beam -** 7.66 m (25'1")
- **Draft -** 1.22 m (4'0")
- **Light Displacement -** Approx. 13,600 kg
- **Hull Material -** Infused GRP sandwich with foam core
- **Water Capacity -** Up to 860 L
- **Fuel Capacity -** Up to 800 L
