Overview

Iliad 50 Luxury Power Catamaran – September 2022 | Immediate Delivery | Phuket

We are proud to present the Iliad 50 Luxury Power Catamaran, available for immediate delivery and freshly refurbished as of September 2022. This meticulously maintained vessel is in excellent condition and is turnkey, making it a perfect fit for those eager to set sail without delay.

Engineered for serious bluewater cruising, the Iliad 50 boasts an impressive range of approximately 2,500 nautical miles. This expansive range is ideal for long-distance passage-making, allowing you to explore beautiful coastlines and remote destinations in unparalleled comfort and safety.

This highly specified and extensively customized power catamaran features an enlarged flybridge helm station equipped with dual 15" Raymarine multifunction displays, ensuring superior navigation and visibility for the captain. Whether you're an experienced sailor or new to the boating lifestyle, the Iliad 50 promises a seamless experience on the water.

Key Features & Equipment

- Twin upgraded Yanmar 440 HP engines
- 1.2 kW solar system with a lithium house battery bank for energy efficiency
- Onan 13.5 kW generator, ensuring a reliable power supply
- Brand new Sea Recovery watermaker with a capacity of 211 L/hr
- Bow thruster for effortless maneuvering in tight spaces
- FLIR Quantum radar and Raymarine fishfinder for enhanced navigation
- Zipwake trim control system for improved performance
- Reverse-cycle air conditioning system (65,000 BTU) for year-round comfort
- Prop speed and propeller rope cutters to protect your propulsion system
- Designed for beaching capability, simplifying hull maintenance

Accommodation

- Three spacious, fully air-conditioned cabins, each with en-suite bathrooms
- Full-beam master suite occupying the entire port hull, offering a luxurious retreat
- Elegant interior featuring teak finishes and ambient accent lighting for a warm atmosphere
- Built-in concealed storage compartments to maximize space
- Caframo fans in all cabins for added comfort
- TV mount in the master suite for entertainment

Galley

The fully equipped modern galley is designed for both functionality and style, featuring:

- Electric induction hob for efficient cooking
- Siemens oven/microwave combination for versatile meal preparation
- Dishwasher for easy cleanup
- Large 301L Vitrifrigo fridge/freezer to accommodate all your provisions
- Ice maker for refreshing beverages
- Kenyon electric grill on the flybridge for outdoor cooking

Navigation & Electronics

The custom enlarged flybridge helm station includes:

- Two 15" Raymarine multifunction displays for comprehensive navigation
- Raymarine autopilot (p70) for effortless steering
- FLIR Quantum Q24C radar for enhanced situational awareness
- Raymarine fishfinder for fishing enthusiasts
- AIS and VHF radio for reliable communication
- Cameras in the engine room and aft for added safety

Deck

Experience the ultimate in outdoor living with an array of features:

- Anchor chain counter for easy anchoring
- Strataglass flybridge enclosures for wind protection
- Stainless steel extensions for additional sunshade coverage
- Fully motorized saloon blinds for convenience
- Premium Fusion sound system with subwoofers throughout (saloon, cockpit, flybridge)
- Flexiteek decking on cockpit, swim platforms, and flybridge for durability
- Four Aqualuma underwater lights to enhance nighttime ambiance
- Cockpit and flybridge dining tables for outdoor dining experiences
- Drawer fridges located in both the cockpit and flybridge for easy access
- Flybridge ice maker for chilled refreshments
- Transom davit with electric winch for easy lifting of water toys

Fishing & Outdoor Features

For the fishing enthusiast, this catamaran includes:

- Live bait well for convenience
- Aft cockpit fishing station equipped with a sink and storage
- Eight stainless steel rod holders to keep your gear organized
- Additional rod holders located on the flybridge roof and forepeak lockers
- Deck wash points in the cockpit, bow, and flybridge for easy cleanup
- Hot & cold swim platform shower for rinsing off after a day of fun

Tankage & Systems

With ample tankage for extended cruising, the Iliad 50 features:

- 3,000L aluminum fuel tanks with a transfer system, supporting a 2,500 nm range
- 700L freshwater capacity for all your needs
- 200L black and grey water tanks for efficient waste management
- 60L hot water system for comfort
- Dual Marco water pumps providing redundancy for peace of mind
- Planus electric macerator toilets for convenience

Currently berthed in Phuket, the Iliad 50 represents an exceptional opportunity to acquire a well-equipped, long-range cruising catamaran. With numerous upgrades and thoughtful customizations, this vessel is ready to provide unforgettable adventures on the open sea. Whether you're planning a weekend getaway or an extended voyage, the Iliad 50 is designed to meet all your cruising needs.
